# VALUES

## BE COACHABLE

Listen, learn, and apply feedback. Growth comes from being open to guidance and willing to adapt.

## EFFORT OVER PERFECTION

Skill errors are part of the game. Lack of effort isn't. Always bring energy, intent, and commitment to the field.

## COMMUNITY FIRST

Foster belonging within the team, families, and the wider Filipino community in Australia and abroad. Represent with pride.

## RESPECT

Show respect to teammates, coaches, officials, opponents, and the game itself. How you carry yourself matters.

## RESILIENCE

Bounce back from setbacks. Whether in training, competition, or life, stay disciplined and keep pushing forward.

## TEAM OVER SELF

The jersey is bigger than any individual. Success is built on trust, sacrifice, and putting the team's needs first.
